

Turn off your taps

on Thursday 23 October 5 – 10 PM

and join Australia in changing
how we value water

Water Facts

A quarter of Australians don't know how water arrives at their taps...
45% of them say they certainly don't think about using it

1 Flushing the toilet uses 4.5 litres 

2 Brushing teeth uses 7.5 litres 

3 A full load of a dishwasher uses 20 litres 

4 A 10 minute shower uses 90 litres
