

**ABC Bullion Barring Premium List****Effective Date: 9th October 2025**

Barring premiums apply when clients wish to convert their ABC Pool Allocated, Gold Saver or Gold Decumulator Products into a specific bar, coin or tablet for collection, storage, or delivery.

Barring premiums reflect the costs associated with:

- The cost of producing the physical product (manufacturing); and
- Handling and administrative costs

When a client requests barring, ABC Bullion will deduct the equivalent ounces from the clients Pool Allocated, Gold Saver or Gold Decumulator Products and charge an associated barring premium.

The barring premiums for our products are listed below, noting these charges are subject to change.
