

Care that respects your culture

Supporting Australia's diverse communities

At Lumia Care, we respect the cultures, languages, traditions and experiences that make each person unique.

We want to understand what matters to you.

You can talk to us about

How you communicate

Tell us what works best for you.

Language support

Tell us your preferred language.

Interpreter support

Ask us about interpreter support.

Your cultural preferences

Tell us what matters to you.

Information that works for you

Need information in another format or extra help accessing our services?

Please let us know. Everyone should feel respected, understood and included.
