

Scarlett

WOVEN+
MORE THAN MEETS THE EYE

Designed for relaxed outdoor dining, the Scarlett dining chair balances soft curves with sculptural simplicity. Sleigh-style legs in powder-coated metal provide a light yet stable base, paired with a resin straw seat and backrest that evokes a handwoven aesthetic. Available in two natural-toned pairings—Sagebrush with Linen legs or Safari with Espresso legs—this easy-care chair offers a warm, textural contrast to clean-lined tables. Perfect for New Zealand outdoor living, season after season.
