

Verona

The Halo Verona Shearling Armchair offers soft, rounded comfort with a calm, modern presence. Fully upholstered in luxurious shearling, its tub-style silhouette feels warm and inviting, with gentle curves flowing from the wraparound back into a generously cushioned seat. Foam and fibre filling provide relaxed, supportive comfort for everyday lounging.

The Verona is available with a choice of base options to suit your space and lifestyle. A version with discreet castors allows the chair to move easily while maintaining a clean, fully upholstered look, while the wooden base option introduces subtle contrast and a more grounded feel.
