LET'S MAKE YOUR HOME BEAUTIFUL & CREATE A SLICE OF PARADISE FOR YOU TO ENJOY THE NEW ZEALAND SUMMER

Since 1906, we've been helping New Zealanders pick the best furniture for their homes, inside and out. This year, we've handpicked pieces from the world's finest brands, along with the best New Zealand has to offer, to bring you our 2025/2026 Outdoor Living Collection.

With a focus on sustainability, design, and comfortable living, our exclusive International Designer Series and Lifestyle Ranges are backed by proven technology and built to last.

Whether you're relaxing with friends and whānau in the comfort of an outdoor lounge, or enjoying alfresco dining, our new season collection has the perfect piece to complement your outdoor lifestyle.

Prices indicated in this catalogue are correct at time of printing. Please note; some fabrics & colours pictured in this catalogue may differ from the colours in our collection. Ask your consultant for more information.

FINISHING TOUCHES

Create visual harmony between inside and out.

The line between indoor and outdoor living continues to blur, with outdoor spaces evolving into true extensions of the home. Custom cushions and squabs in outdoor fabrics help tie your décor together while adding comfort and personality.

Our designer outdoor fabrics bring the colour and texture of your interiors outside. Durable, fade-resistant, and easy care, they're made to withstand the elements—without compromising on style.

Your outdoor space should feel like yours. Add character, warmth, and a touch of individuality to create your perfect retreat.

Maximise your outdoor space with the flexibility of Luxaflex® outdoor products.

Their worldwide search for the best solutions for New Zealand's unique conditions has resulted in a range that delivers unparalleled quality, design, and functionality.

Extend your valuable home entertaining space with Luxaflex®.

Luxaflex® Awnings

Innovative, heavy duty and visually stunning awnings that deliver unparalleled functionality. Fully automated, these awnings can be operated with just the push of a button to protect you from the sun and a clean fascia when closed.

Luxaflex® Evo External Screens

The Luxaflex all-weather EVO screens are a revolutionary solution that offers protection from solar heat, wind, rain and insects.

EVO screens can be operated manually or motorised by remote, with options of solar powering, and sun and wind sensors for even easier operation.
