WOVEN+  
MORE THAN MEETS THE EYE

Elevate your outdoor dining space with the sculptural form of the Kano Outdoor Dining Table. Designed for impact, it pairs a curved polycarbonate base with a solid teak top—offering a refined mix of form and function. Available in two distinctive finishes: Brique with a silver-toned aged teak top, or Cemento Graphite with a warm honey teak top. Built for New Zealand's changing conditions, its weather-resistant materials ensure lasting performance without compromising on style.
