

DESCRIPTION

Designed for luxurious comfort and restorative sleep, the Sleepmaker Chateau Medium Bed offers a refined balance of softness, support, and temperature control. With a gently responsive feel, it provides deep comfort while reducing pressure on the shoulders and hips—ideal for those who prefer a medium, contouring sleep surface.

The Chateau combines carefully selected natural and advanced materials to create a comfortable and breathable sleep environment. Aloe Vera infused fabric and luxurious alpaca quilting enhance surface comfort, while ComfortKool technology supports temperature regulation throughout the night. Beneath the surface, FusionGel, natural latex and Dunlop foams work together to deliver consistent support and pressure relief. The Smartcoil five-zoned spring system features an intelligent dual-stage coil that responds independently to body weight and shape, promoting optimal spinal alignment and back support.

KEY FEATURES:

- Medium comfort feel designed to relieve pressure on shoulders and hips
