Specifications

Key Features:

- 100% New Zealand wool quilted comfort layers. Wool is naturally resistant to bacteria, mould and mildew making it perfect for bedding. Wool fibres also help to keep you cooler in the summer and warmer in the winter.
- 100% New Zealand Alpaca is an environmentally friendly fibre, to produce the wool no harsh or detrimental chemicals are required. Alpaca wool is therefore ideal for people with sensitive skin, as the wool is very soft and silk like.
- 100% certified organic latex core. Latex is naturally hypoallergenic and resistant to dust mites, making it perfect for a healthier night sleep and ideal for allergy and asthma sufferers.
- The wool and latex meets OEKO-TEX® Standard 100, a globally standardised, independent mark of quality for textile products. This certification assures the material meets extremely strict limit values for several hundred harmful substances, including pesticides, carcinogenic colourants and heavy metals.
- Pocket spring core provides zero roll together and all night support.
- Reduced partner disturbance
- Bamboo and cotton quilted fabric cover
- Classic rolled edge design
- Hand crafted in New Zealand by New Zealanders, the Woola mattresses come with a 10 year warranty.
