

DESCRIPTION

With a sleep system designed to maintain your body's natural alignment and a heritage of orthopaedic design, Sealy is the leader in sleep innovation. The Luna's high quality comfort layers and revolutionary technology will enhance your sleep experience for a more rested mind and body.

KEY FEATURES:

- Premium wool fibres combined with soft foams and indulgent quilts.
- Quality comfort layers are pre-compressed to minimise body impressions.
- 8" Pocket Coil System with each coil working independently to reduce partner disturbance.
- Multi-zoned coil cradling system ensures deep-down support for a more restful sleep.
- Miracle Edge technology encases the coils to reduce motion transfer and deliver a consistent edge-to-edge sleep surface.
- Unique True Lock Stabiliser technology ensures durability and stability across the mattress surface. This is achieved by fabric sheets at the top and bottom of the mattress encasing the springs to reduce movement.
- Its platform base adds stability and is designed to support the performance of the mattress.
- Layers of supersoft premium foam and latex create a luxurious feel and premium long lasting comfort that contours to your body.
- Extra support is provided by a Gel Infused Memory Foam comfortcore, this provides an amazing level of conformance and additional support to your lower back.
- Made in New Zealand, this bed comes with a 10 year warranty.
