The specifications, features, and descriptions provided for the Geely EX2 are based on information available at the time of publication (JUL 2026) and are subject to change without prior notice. Actual specifications may vary by model variant. Images shown are for illustration purposes only and may include optional features not available on all models. To the extent permitted by law, Geely Auto Australia holds no liability for any reliance on the information provided in these materials. Geely Auto Australia Pty Ltd reserves the right to make modifications to the product, design, equipment, and availability at its sole discretion. Consult your authorised Geely Dealer for the latest information and availability. | ¹Figures shown are based on WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure). Real-life results may vary depending on driving style, road and traffic conditions, environmental influences, vehicle condition, use of ancillary features, and accessories fitted. The figures advertised are only to be for comparison amongst vehicles only. | ²Advanced Driver Assist Systems (ADAS) features are designed to assist the driver but do not replace the need for attentive driving. Performance may vary depending on weather, road conditions, and other external factors. Drivers must always remain in control of the vehicle and comply with road laws. Refer to the Owner's Manual for detailed information on system limitations. | ³Apple CarPlay® is a registered trademark of Apple Inc. Android™ Auto is a registered trademark of Google Inc. Apple CarPlay® and Android™ Auto support specific applications and devices. Compatibility and functionality may depend on the operating system and software version of the connected device. Use of these features while driving must comply with local road safety laws. | ⁴Bluetooth functionality is dependent on device compatibility and software version. Features such as call handling, music playback, and other Bluetooth services may vary between devices. Check with your authorised Geely Dealer for compatibility details. | ⁵Wireless charging functionality is compatible with specific devices that meet the Qi standard. Charging performance may vary depending on device type, battery condition, and usage during charging. Non-compatible devices may require additional accessories. Always ensure the charging surface is free from objects to avoid interference. | ⁶Geely Connected Services are provided through a SIM card that is permanently installed in the vehicle. Features may vary by model, market, and service provider. Subscription fees may apply after the initial trial period. Check with your authorised Geely Dealer for more information.
