I'm excited to announce that I'm now a Xero For Good Ambassador! ✨

Through this programme, the small businesses who need it most can receive free mentoring from experienced accounting and bookkeeping professionals like myself. It's all part of @Xero's

Unlock Your Numbers initiative, which provides free educational resources and mentorship to help business owners build stronger financial foundations.

I'm looking forward to sharing my experience and expertise to help a small business thrive financially. It's rewarding to give back to the business community that has supported me along my journey.
